VETERANS MEMORIAL MIDDLE SCHOOL 2017-2018 STUDENT COUNCIL ELECTIONS

It was election time here at VMMS! 8th graders were given the opportunity to run for positions on the Student Council Executive Board. They could choose from the offices of president, vice-president, secretary, treasurer, publicist, and new this year, historian. They are also able to apply for a Cabinet position on the Executive Board where they will be interviewed by a panel of teachers. Cabinet members will become an official part of the Executive Board. Following the election process, students submitted their applications and those who qualified were placed on a Primary ballot. Only 8th grade homerooms were able to vote in the Primaries to narrow it down to 2 candidates for each office. Once voted in during the Primaries, students were able to campaign around the school. Candidates were able to hang posters to promote themselves and use the lunch periods to allow the student body to get to know them. All VMMS students were able to gain a true voting experience by using the voting booths from the Ocean County Board of Elections to cast their votes during gym class on Wednesday, September 27th. Congratulations to all of our new Student Council Executive Board Officers!

*President - Jake Gallo
Vice-President - Billy Sulo
Secretary - Sidney Saint-Cyr
Treasurer - Christopher Cook
Publicist - Jessica Salvia
Historian - Anthony Roselli*
