

Dana Triantafillos is the proud principal of Veterans Memorial Middle School, where she leads with the belief that every student deserves the opportunity to grow and succeed at their own pace, within a supportive and inclusive school community. Her leadership philosophy centers on fostering a learning environment where all students feel seen, valued, and empowered throughout their educational journey.

Mrs. Triantafillos began her career in education as a preschool teacher in Westampton, New Jersey. She then taught for several years in an educational program run by the State of New Jersey, before joining the Brick Township School District in 2005 as a teacher at Lake Riviera Middle School. Her dedication for supporting student growth and fostering a positive school culture guided her transition into educational leadership, first as an assistant principal at Brick Township High School from 2016 to 2019, and then at Lake Riviera Middle School from 2019 to 2021.

In July 2021, Mrs. Triantafillos enthusiastically accepted her current role as principal of Veterans Memorial Middle School, where she continues to prioritize strong relationships, academic growth, and a culture of inclusion.

She earned her undergraduate degree in Elementary Education from Lebanon Valley College and holds a Master's degree in Leadership and Administration from Georgian Court University.
