Final Exams	All Subjects	9-12	End of each semester	Computer/Paper	Jan. 26-27 June 15-16	Reported on Report Cards

* Testing mode refers to how the student will be administered the assessment. The two types of mode are computer and paper and pencil; some computer-based assessments are administered using paper and pencil. Be sure to inquire about the options if your son/daughter has a medical issue that would not allow him/her to take the assessment using paper and pencil.

** The testing window is period in which districts administer the assessment; it is not the actual number of days it takes a student to test. School districts can choose different testing windows that it wants to assess students. Please inquire with your district about the exact testing dates of the assessment.

*** This column indicates when the reports will be available to the district. The district will send out reports to parents as soon as possible. Please contact your district for more information.
