PROGRAM DESCRIPTION

The B.E.S.T. Program is designed to create a safe and engaging environment for children of the Brick Township School District. Planned activities are challenging and age appropriate for the children attending and reflect the interests expressed by the children in each program. All programs are open to students who attend one of the Brick elementary schools.

BEFORE SCHOOL CARE

Beginning at 6:30 AM, the students in the before school care program will have the opportunity to participate in table activities such as Legos, puzzles, board games, card games, and arts & crafts. Students are welcome to bring their own breakfast to eat at before school care. After a majority of students arrive, group games in the gym or outdoor activities (weather permitting) will begin.

AFTER SCHOOL CARE

The after school care program begins upon school dismissal and ends at 6:00 PM with the exception of November 26th, December 23rd, April 2nd, May 22nd, and the last day of school when B.E.S.T. will close at 4:00 PM. As the children arrive, they will check-in with the B.E.S.T. Staff immediately for attendance. No buses leave school property until all B.E.S.T. Program children are accounted for.

The program schedule followed varies from site to site, and day to day, but includes the same components as all other B.E.S.T. Programs each day. Children will have snack time (snacks provided by B.E.S.T. or brought from home), they will be given time to work on any homework they may need to complete, and they will participate in group activities outdoors weather permitted. If weather does not permit outdoor activities on a given day, students will participate in activities in the gym.

GENERAL PROGRAM RULES

All District policies and rules that are in place during the school day at your child's school extend into the B.E.S.T. Program. The students of our program are expected to treat their peers, staff, school property, and program equipment/supplies with respect. Please refer to page 8 for a list of B.E.S.T. Program Rules.

STAFF

All B.E.S.T. Program Staff are employees of the Brick Township Board of Education who are subject to a criminal background check and are fingerprinted. All employees also participate in a staff orientation, which covers topics such as Child Growth and Development, Positive Discipline Techniques, Health and Safety Procedures, and Child Abuse Prevention. At least one (1) staff member at each of the schools are trained in First Aid and CPR/AED.

ATTENDANCE POLICIES AND DROP OFF/PICK UP PROCEDURES

BEFORE SCHOOL

The Before School Care Program begins at 6:30 AM and ends at the time school begins.

Before School Care Program Drop Off Procedure:

- Parents/guardians will escort their child/children to the designated B.E.S.T. Door at their child's school and ring the bell to alert staff of their arrival
- B.E.S.T. Staff will meet parent/guardian and children at the door for AM drop off.

- B.E.S.T. Staff will log drop off time and notate the adult that dropped off in lieu of parents/guardians signing their child in to program

Under no circumstances is a child to enter the building alone or be left unattended inside or outside of the school building. Failure to follow this procedure may result in termination from B.E.S.T..

AFTER SCHOOL

Children in the after school care program are to come directly to the B.E.S.T. Program at the end of the school day. In the beginning of the school year, our staff or the school staff will escort our kindergarten students to and from their classrooms until they become familiar with the route. A weekly schedule will be provided to each classroom teacher informing them of the days each child in the program is registered to attend B.E.S.T. after school. Attendance is taken by our B.E.S.T. Staff at the program before any activities begin and also before the buses leave school property.

Day of changes to a child's schedule MUST be emailed to BEST@brickschools.org by 12:00 PM (noon) the day of. This includes a parent/guardian who would like their child to take the bus home instead of going to B.E.S.T. on a day they are scheduled to attend B.E.S.T. Otherwise, children that are scheduled to attend B.E.S.T. will be dismissed to B.E.S.T. and will need to be picked up at B.E.S.T.

If your child does not arrive to the after school care program, and we have not been contacted regarding his/her absence for the day, our staff will check with the school main office. If the office does not have record of your child leaving school early, we will make every effort to contact you using the phone numbers on your child's registration form that you provided to verify the whereabouts of your child.

If a student arrives to B.E.S.T. and is not scheduled to attend that day, we will make every effort to contact you using the phone numbers on your child's registration form that you provided. If we cannot contact you in a timely manner during the school's dismissal time, we will bring your child to the main office.

Once the program has begun, and after attendance has been taken, your child may not leave our program without being signed out by an approved pick-up person that you designate. This includes children attending extra-curricular activities (examples – band, chorus, theater week) or extra help with a teacher.

After School Care Program Pick Up Procedure:

- Parents/guardians will ring the bell at the designated B.E.S.T. Door at their child's school to alert staff of their arrival
- B.E.S.T. Program Staff escort children to the door to meet parents/guardians
- B.E.S.T. Staff will log pick up time and notate the adult that picked up in lieu of parents/guardians signing their child out of program

SIGN-IN AND SIGN-OUT/AUTHORIZED PICK UP LIST

Each child may be released **ONLY** to adults that are listed on his/her B.E.S.T. authorized pick-up list. These individuals must be at least 18 years of age and provide picture identification for the safety of our children. In order to add someone to your child's authorized pick-up list, the B.E.S.T. Office must be notified in writing or via email by the parent/guardian who registered your child for B.E.S.T. No authorized pick-up information will be accepted over the phone. Children will not be released to anyone that our staff believes may be under the influence of drugs and/or alcohol.

If a parent has been denied access or granted limited access to a child by court order, it is the registering parent's responsibility to provide the B.E.S.T. Program a copy of the court order for our records in order for us to comply with the terms of the court order. Please be sure to provide updated court documents to the B.E.S.T. Office and your child's school office as soon as you receive them for the safety of your child.

LATE PICK-UP PROCEDURE

If you anticipate being late picking up from the after school care program, please call your child's B.E.S.T. Program site cell phone number (see page 2) to inform our staff. If you do not call the program site cell phone by 6:00 PM, we will try to contact you. If we cannot reach you, emergency contacts will be called.

Your child will not be released to anyone who does not appear on their B.E.S.T. authorized pick up list. If you need someone to pick up that is not listed on your child's B.E.S.T. authorized pick up list, you will be required to send an email to a B.E.S.T. Staff Member to authorize that person before the B.E.S.T. Staff at your child's school will be able to release your child.

There will be a \$15 charge per 15-minute interval (i.e.; 6:01 – 6:15 PM will incur a late fee of \$15.00; 6:16 – 6:30 PM will be a \$30.00 late fee). Participation in the B.E.S.T. Program is contingent on payment of these fees. Payment is due within ten (10) days of the day of late pick up. Participation in the program may be denied after four (4) late pick-ups, or if late pick-up fees are not paid within ten days.

If our staff does not speak with you or someone on your child's authorized pick up list by 6:30 PM and you or someone on your authorized pick-up list fails to pick-up your child by 6:30 PM, the Brick Township Police and/or the Department of Child Protection and Permanency (DCP&P) will be contacted.

FIRST AID EMERGENCY PROCEDURES

In the event of an accident or injury to a child in our program, which does not require emergency medical attention, our staff members who are trained in First Aid will administer the appropriate care. For mild bumps, scrapes, etc. parents will be verbally notified by our program staff at pick up/drop off. In the case of serious injuries including head, neck, or back injuries, parents will be called by our program staff at the time of injury. In the event of an accident or injury which requires emergency care, we will contact the parent and call 911. At least one staff member at each location is First Aid, CPR, and AED certified.

Parents are responsible for all costs in the provision of emergency medical treatment of their child. It is recommended that you purchase the Voluntary Insurance available through the school district if you do not have insurance. Literature on the accident insurance and applications are available at the main office of your child's school.

ILLNESS

Any child who shows signs of illness while at program will be kept separate from the rest of the children, and his/her parents/guardians will be contacted. If we cannot reach the parent/guardian, then we will begin to call individuals on the child's emergency contact list. If children are ill during the school day and it is recommended by the school nurse that they be picked up from school, they may

NOT be sent to the B.E.S.T Program. Parents are reminded to keep their student home if they are sick and/or have been exposed to a COVID-19 individual.

MANAGEMENT OF COMMUNICABLE DISEASES

Parents should not send students to school when sick. Students and staff who have a temperature greater than 100 degrees and/or respond yes to 2 or more screening questions will be sent home and referred to a healthcare provider for evaluation and COVID testing as needed. Students and staff who are COVID-19 Positive or who meet the criteria for Close Contact will need to adhere to NJDOH COVID-19 Exclusion Criteria and Quarantine time periods.

Additionally, if a child exhibits any of the following symptoms, he/she should not attend the program. If such symptoms occur during program, the child will be kept separate in the room from the rest of the children and his/her parents/guardians will be contacted to pick up from program.

Fever (measure or subjective)	Muscle aches
Nausea or Vomiting	Sore Throat
Shortness of Breathing or Difficulty Breathing	Severe Pain/Discomfort
Diarrhea	Headache
Red Eyes with Discharge	Yellow Eyes or Jaundiced Skin
Coughing, Congestion or Runny Nose	Chills or Fatigue

Once a child is 24-hour symptom free or has a physician's note stating that he/she is cleared to return to school, then he/she may return to the program.

If your child contracts any of the following diseases, please report it to the B.E.S.T. Program Office. The child **MAY NOT** return to the program without a doctor's note stating that the child presents no risk to himself/herself or others.

Campylobacter	Measles	Shingella
Chicken Pox	Meningococcus	Strep Throat
Escherichia Coil	Mumps	Hemophilus Influenza
German Measles	Salmonella	Hepatitis A
Giardia Lamblia	Scabies	Tuberculosis
Impetigo		Lice

MEDICATION

As per Brick Board of Education policy number 5141.21, no medication will be administered to pupils in school except by the school nurse or the pupil's parents or legal guardian. **The school nurse is not available during the hours of the B.E.S.T. Program and the nurse's office is locked.**

If written orders for use of an epi-pen are provided, the orders must say the pupil requires administration of epinephrine for anaphylaxis. District policy states that the school nurse shall have primary responsibility for the administration of the epi-pen; however, the school nurse may designate another properly trained employee of the District to administer the epi-pen when the school nurse is not physically present at the scene. The designee must be CPR certified. Therefore, the B.E.S.T. Staff Member at each school program, who is First Aid and CPR/AED certified, can be designated to administer an epi-pen in an emergency situation if applicable. Our B.E.S.T. Program Staff are ONLY

permitted to hold epi-pens that are accompanied by written doctor's orders. They cannot hold or administer other medications such as Benadryl.

If your child has such written orders for use of an epi-pen, parent/guardian MUST provide the written orders and an epi-pen for our B.E.S.T. Staff to keep in our locked cabinet at the school. The school nurse's office is locked and inaccessible to our staff during B.E.S.T. Program hours.

Self-administration of medication by pupils is permitted in accordance with N.J.S.A. 18A:40-12.3. A student is only permitted to self-administer medication for asthma or other potentially life-threatening illnesses as defined by the Department of Education, New Jersey Statutes Annotated and New Jersey Administrative Code. **Students who need to be able to use their inhaler during B.E.S.T. must have a permission to carry and permission to self-medicate form completed and signed by their physician and submitted to the school nurse and our B.E.S.T. Staff in order for the student to be able to carry and use an inhaler during B.E.S.T.**

SAFETY AND B.E.S.T. PROGRAM RULES

The B.E.S.T. Program provides a safe place for students of the Brick Township Public Schools before and after school. Students are expected to follow all school rules and program safety rules. Violation of these rules may result in your child not being allowed to participate in the B.E.S.T. Program. In order for our children to feel safe at B.E.S.T, we have a zero tolerance for students discussing, playing, or drawing anything violent such as play fighting, talking about anything violent, drawing pictures of weapons, etc.

B.E.S.T. STUDENT RULES AGREEMENT

General Rules:

1. I will respect the staff at B.E.S.T. every day and follow directions the first time they are given.
2. I will stop what I am doing and listen to the staff when they clap, blow the whistle, or say “freeze”.
3. I will be honest and use good manners.
4. I will play safely with all students at B.E.S.T. by being respectful of their personal space.
5. I will be responsible for myself and clean up after myself.
6. I will keep my hands and feet to myself and use kind words.

8. I will ask a teacher for help if I am or another student is upset, hurt, or if there is a problem.
9. I will ask a teacher if I have a question about any of the rules.
10. Most importantly, I will try my best and have fun!

Playground/Gym Game Rules:

2. I will use equipment only for its intended purpose.
3. I will be honest and cooperative if I get “out” in a game.
4. If the slides or swings are wet, I will not use them.

9. If a ball goes out of the playground area or the gym, I will ask a teacher for permission to go get it.
10. When it’s time to go inside, I will gather my belongings and line up quickly and quietly.

INCLUSION OF STUDENTS WITH DISABILITIES

The B.E.S.T. Program is open to the inclusion of and making reasonable accommodations for students with disabilities to participate in our program alongside their peers. Even though the B.E.S.T. Program strives to maintain a low staff to student ratio, we are unable to provide one-on-one staff for students. Students with disabilities will be expected to comply with all rules and regulations of the program, including health and safety standards. If a child’s actions repeatedly endanger the health and safety of his/herself, another child, or staff member, they may be removed or terminated from the program.

PERSONAL ITEMS

The B.E.S.T. Program does not encourage students to bring toys and/or electronics from home. The only exception for toys allowed at B.E.S.T. is on Fun Fridays. No electronics are permitted still on Fun Fridays. Cell phones and smart watches with cell phone capability must be kept on silent and in the child’s book bag. The use of headphones inhibits children from being able to hear our staff; therefore, for the safety of our students, headphones are not permitted in the B.E.S.T. Program.

REMOVAL FROM PROGRAM PROCEDURE

We will do everything possible to work with our students and their families to prevent the need for a child to be removed from B.E.S.T. However, there are reasons that we have to remove a child from program.

Consequence:

1 st Offense	Written Warning
2 nd Offense	1 Day Removal from B.E.S.T.
3 rd Offense	3 Day Removal from B.E.S.T.
4 th Offense	Termination from B.E.S.T.

In cases of excessively harmful or aggressive behavior or language, a parent may be called to pick up a child if the student's behavior cannot be controlled or the child is harmful to themselves or others. Aggressive, abusive, or inappropriate behavior and/or language by a child or parent towards a staff member or another participant will be grounds for immediate termination. If a child's actions repeatedly endanger the health and safety of his/herself, another child in the program, or staff member, they may be removed or terminated from the program. Any child who steals, hits another child or staff member, yells at a staff member, or runs from the program, will be automatically removed from the program. If behavior continues upon return to the program, the student will be immediately terminated from the program.

When a child is removed or terminated from B.E.S.T. it is the parent/guardians' responsibility to inform the main office at their child's school as to what their child's dismissal arrangements are for that time. (Example – taking the bus home, parent pick up, etc.) No credits are given for days your child has been removed from the B.E.S.T. Program

CHANGES IN DAYS ATTENDING, PERSONAL INFORMATION, EMERGENCY CONTACT INFORMATION

All students attending B.E.S.T. have a set weekly schedule. However, we do understand that some of our families will still need to change their child's B.E.S.T. Schedule at some point throughout the school year. If you need to request a schedule change, please email Diane Devine, B.E.S.T. Program Secretary, at ddevine@brickschools.org. Changes will NOT be accepted during high registration times (July, August, and September) or for the current week. (example - parent calls/emails on Monday requesting a change of schedule for that Wednesday). There will be no charge for the first schedule change request for the school year. This change in schedule would then be permanent for the remainder of the school year. A schedule change request for a brief period of time (example - one or two weeks) will incur a \$25.00 fee per student if after that brief time, the schedule is changed back to the student's original schedule.

Day of changes to a child's schedule MUST be emailed to BEST@brickschools.org by 12:00 PM (noon) the day of. This includes if a parent/guardian would like their child to take the bus home instead of going to B.E.S.T. on a day they are scheduled to attend the B.E.S.T. Program. Children that are scheduled to attend B.E.S.T. will be dismissed to B.E.S.T. and will need to be picked up at the B.E.S.T. Program.

Only individuals who registered the child for B.E.S.T. can make changes to personal information and/or add or remove individuals to the child's authorized pick up list.

Please notify Diane Devine, B.E.S.T. Program Secretary, at ddevine@brickschools.org, of any changes to your address, phone numbers, emergency contacts, etc.

PROGRAM WITHDRAWAL/TERMINATION

Requests to withdraw from the B.E.S.T. Program requires one week written notice to Diane Devine, B.E.S.T. Program Secretary at ddevine@brickschools.org. Once you withdraw from the B.E.S.T. Program, your child/children's spot in before and/or after care will be offered to students on the waitlist. If at some point after you withdraw your child from B.E.S.T. you want them to return to B.E.S.T., he/she may need to be placed on the waitlist and wait for a spot to open.

Services may be terminated for reasons of delinquent accounts, student discipline problems, aggressive/abusive or inappropriate behavior or language by a child or parent/guardian towards a staff member or another participant, and repeated late pick-up of children. Written and/or verbal notice of termination from the B.E.S.T. Program will be delivered to the parent/guardian. When a child is terminated from the program, please DO NOT send him/her back to the B.E.S.T. Program after that date. The child will **NOT** be admitted to the program and if situation occurs after school, your child will be sent to their school's main office. Additionally, it is the parent/guardians' responsibility to inform the main office at their child's school as to what their child's dismissal arrangements are. (Ex. – taking the bus home, parent pick up, etc.)
